A Minor Official Plan Amendment and Zoning By-law Amendment application has been received by OnePiece Ideal (MS) Developments Inc. c/o Goldberg Group (Adam Layton) for the property municipally known as 28 Main Street, Unionville. The application will facilitate the development of a 39-storey purpose built rental building with 401 apartment dwelling units, and approximately 4,520 square metres of public park.

This application is related to Site Plan Control application SPC 15 119946 which is being reviewed concurrently.

DEFINITION OF APPLICATION TYPES

Official Plan Amendment

The process through which changes are made to the City's Official Plan. A document, containing policies which guide the future development of land in Markham. The Official Plan also includes a framework for establishing regulations and standards for land use and contains policies on how the City will manage growth.

Zoning By-Law Amendment

The process through which the City guides and approves changes to how lands are used for specific purposes. The process also addresses related development standards such as property setbacks, building height, and parking.

Plan of Subdivision

The process through which the City guides and approves the design and layout of building lots and roads (neighborhoods).

Site Plan Control

The process through which the City guides and approves the layout of building elevation, landscape and site circulation.

Condo

The process through which the City guides and approves the development of condominiums.
