

Application For Zoning Amendment

It is the responsibility of the owner or authorized agent to provide complete and accurate information at all times. This form will not be accepted as an application until such time as all questions have been answered and all requirements have been met in the manner requested herein. Please read the following carefully:

- Application:** All the information, documents, drawings and plans request are required to be provided in accordance with the provisions of the Planning Act R.S.O. 1990, c.P13, as amended and/or City policy.
- Fee:** Please refer to Fee By-law 211-83, as amended. Payment can be made by credit card payment online (maximum \$60,000) via ePLAN, by certified cheque payable to the City of Markham or by Electronic Funds Transfer (EFT). If paying by EFT, please send an email with the file number and address to dsc@markham.ca. Please note that payments by EFT may take 3-7 business days to be processed.
- Plans:** Refer to the ePLAN submission requirements.
All dimensions MUST BE in metric.
All required documents and drawings must be submitted for the application to be considered complete.
- Correspondence:** All correspondence will be sent to the Owner and the Agent.

Environmental Clearance For Lands To Be Used For Public Purposes

An Environmental clearance in the form of a Phase I Environmental Site Assessment (ESA) in accordance with the Canadian Standards Association standard Z768-94, or latest edition, shall be submitted to and approved by the City for all lands being conveyed to the municipality for public purposes. The requirement for Phase I ESA shall form a condition of Site Plan Approval to apply to lands being conveyed to the municipality.

Definitions

Floor Area: means the total area of all floors in a building, measured between the exterior faces of the exterior walls of the building at each floor level.

Floor Area, Gross: means the aggregate of the floor areas of a building above or below the established grade, but excluding car parking areas within the building that are below established grade.

Floor Area, Leasable: means the aggregate of the floor areas of a shopping centre that are leased to the tenants of the shopping centre for their exclusive use, above or below established grade.

Floor Area, Net: means the aggregate of the floor areas of a building above or below established grade, but excluding car parking areas within the building stairways, elevator shafts, service/mechanical rooms and penthouses, washrooms, garbage/recycling rooms, staff locker and lunch rooms, loading areas, any space with a floor to ceiling height of less than 1.8 metres and any part of a basement that is unfinished, is used solely for storage purposes and is not accessible to the public.

Major: An application for a Zoning By-law Amendment that is more significant in scale and scope than a minor zoning amendment, and which may have greater impact beyond the subject lands. Major applications include:

- Applications relating to more than one property;
- A site-specific application, if considered to represent large scale redevelopment;
- Any change in use and/or zone category;
- An application involving significant changes to the development standards or general provisions of the by-law.

Minor: An application for minor and small-scale zoning amendment having no significant impact on adjoining lands. Minor applications must be site specific and include:

- Request for additional permitted use, within an existing building with no significant impact on existing development standards;
- Changes in development standards to accommodate a residential severance to create one single family lot within an existing subdivision.
- Application for Temporary Use

Submission requirements that will require Toronto Region Conservation Authority review must be packaged separately with a covering letter along with the approved checklist. York Region no longer accepts paper submission. Please include all York Region submission requirements with your digital submission.

Provincial Plans and Policy Statement Information

Is the Application consistent with Policy Statements issued under Subsection 3(1) of the Act? (Check one)

Yes

No

Is the subject land within an area of land designated under any provincial plan or plans? (Check one)

Yes

No

Important:

Submission requirements that will require Toronto Region Conservation Authority York Region no longer accepts paper submissions.

- The 'Site Statistics' table must be completed. Applications that state: "See Drawings" will not be accepted.
- All dimensions must be in metric.
- Colour renderings of site plans and drawings will be required at all public meetings.
- If you have any questions regarding this application form, please contact Development Services 905.475.4861.

Application forms, submission requirements, information about Development Charges, publications and maps can be obtained from our website: www.markham.ca

Key Map, Site Plan, Elevation and Other Drawing Requirements:

(All dimensions must be in metric) The Key Map must include:

- The location of the subject property;
- A north arrow; and the local vicinity.

The Site Plan must include:

- The boundaries and dimensions of the subject lands;
- The location, size and type of all existing and proposed buildings and structures on the subject land, indicating their distance from the front, rear and side lot lines. (Structures includes hydro transformers and waste storage facilities.);
- The approximate location of all natural and artificial features (for example, buildings, railways, roads, watercourses, drainage ditches, banks of rivers or streams, wetlands, wooded areas, wells and septic tanks) that are located on the subject land and on land that is adjacent to it, and any additional features that in the applicant's opinion, may affect the application;
- The current uses of land that is adjacent to the subject land;
- The location, width and name of any roads within or abutting the subject land, indicating whether it is an unopened road allowance, a public traveled road, a private road or right of way;
- If access to the subject land will be by water only, the location of the parking and docking facilities to be used; and

- The location and nature of any easement affecting the subject land.

Items below are not required by the Planning Act for a complete application, but are required to be shown on the plans to expedite the processing of your application.

Elevations must include:

- The height, length and width of all proposed buildings;
- The location of all windows, doors, loading docks, etc;
- The details of all four sides of the proposed building(s), including the type and colour of materials to be used; and
- The location of all roof-top mechanical equipment (HVAC, etc.) and proposed screening.

Other:

- The proposed landscaping details;
- The proposed parking layout, including isle widths and dimensions of parking spaces;
- The location and dimensions of all waste storage loading/unloading facilities; The location of the proposed fire route; and
- A table of statistics that includes the following information:
 - The current zoning designation and applicable Zoning By-Law of the subject property;
 - Total lot area of the subject property;
 - Gross Floor Area (GFA), Gross Leasable Area (GLA) and Net Floor Area (NFA) of existing and proposed building(s);
 - The Floor Area Ratio (FAR) shown as a percentage of the total lot area;
 - Lot Coverage shown as a percentage of the total lot area;
 - The front, rear and side yard setbacks of existing and proposed building(s) and structure(s), both provided and as required by the applicable Zoning ByLaw, and the distance between existing and proposed building(s) and structure(s);
 - Number of parking spaces, both provided and required (including physically disabled parking spaces.); and
 - The landscaped area shown as a total area and percentage of the total area of the lot.
