To facilitate the proposed two-storey detached dwelling, the applicant has submitted a variance application requesting relief from By-law 1767 as amended, as described above. Staff have concerns with proposal as shown on the revised drawings received by the City of Markham on March 26, 2019 (Appendix A). The applicant has requested a deferral to address staff concerns. Planning staff recommends that the application is deferred sine die to provide the applicant additional time to address Staff concerns.
